4. Telephone Exchange and Redemptions

The fund(s) currently offer telephone exchange and redemption privileges to shareholders, whereby a shareholder may redeem funds and make wire transfers over the telephone (\$50,000 per fund maximum per day). To establish wire transfer rights, please attached a voided check. Shareholders may also make fund-to-fund exchanges over the telephone. Neither the transfer agent nor the fund(s) will be responsible for the authenticity of redemption instructions received by telephone if it reasonably believes those instructions to be genuine. The fund(s) and transfer agent will each employ reasonable procedures to confirm that telephone instructions are genuine, and may be liable for losses resulting from unauthorized or fraudulent telephone instructions if it does not employ these procedures. Such procedures may include taping of telephone conversations.

Exchange – Permits the exchange of shares between identically registered accounts.

Redemption – Permits the redemption of shares with payment to the address of record or my bank account (please attach a voided check in order to establish bank instructions)

I do not want the telephone exchange and redemption privileges indicated above.

Note: If you do not elect one of the choices above, your account will automatically have the telephone exchange and redemption feature.
